

**J-TERM and SPRING SEMESTER - 2020**  
**Instructions to see the Current Schedule of Classes**

Students,

The Dean's office is streamlining and modernizing the registration process. Therefore, we will no longer be publishing the "Class Schedule" as a .pdf. Instead, here are the instructions for how you can access all of the classes being offered in J-term / Spring 2020:

1. Make sure you are logged into my.onu.edu.
2. [Click here for Dynamic Course Offerings.](#)
3. From the "Term" drop down menu select "2019-2020 Spring Semester."
4. For Spring classes, from the "Part of Term" drop down menu select, "Law."
5. For J-term classes, from the "Part of Term" drop down menu select, "Law – January Term."
6. Click "Get Subjects."
7. Click "Get Courses."
8. The landing page this will take you to includes all of the information previously listed in the old "Class Schedule" .pdfs and much more, including:
  - a. Maximum enrollment for every course; and
  - b. Number of students currently enrolled in each class.

Please let us know if you have any trouble accessing this information.

Thank you,  
The Dean's Office
